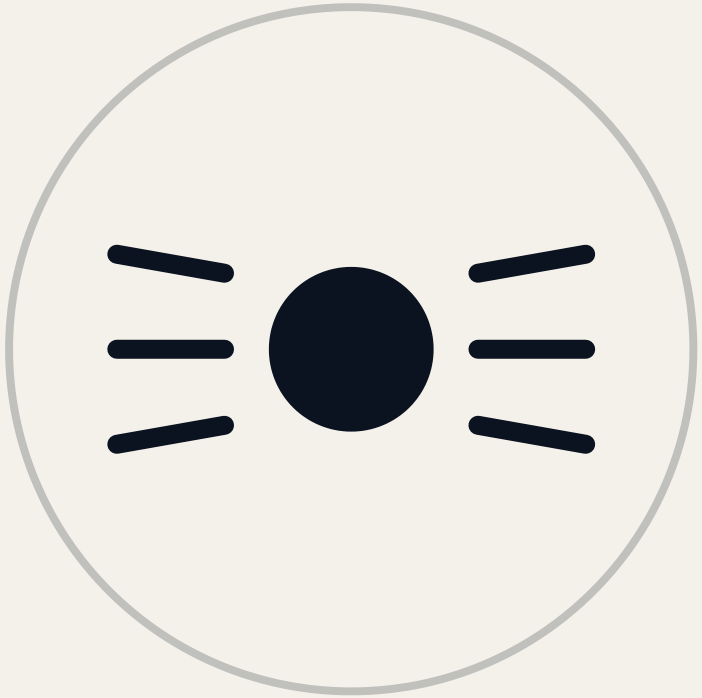
BRAND MARK · PRIMARY · V1.0

A face. A signal. Sealed.

Dense tapered whiskers on both sides of a solid dot, held inside a quiet ring. Reads at once as the seal's face and as a broadcast — the agent speaking and listening on your behalf.



SEALED · PRIMARY MARK · V1.0

A face.
A signal.
Sealed.

One confident dot. Six tapered strokes. One quiet ring. That's the entire mark — built to feel both animate (a creature listening) and agentic (a node broadcasting).
